## Facts

- We wash and repair **195 million kilos** of textiles every year
- We have over **10 million** workwear garments in circulation
- **1500 tons** of textile waste / year globally:
  - 65/35 pes/co
  - 50/50 pes/co
  - 100 co...
- **88%** of textile waste is used as energy source or as new product

**We need new  
innovations, new  
partners, new co-  
operation.**

**We can do this all –  
together.**
